

Are you a mental health professional who specializes in
Perinatal Mood and Anxiety Disorders?

WNY POSTPARTUM CONNECTION INC.

The WNYPPC community currently includes a network of over 125 therapists, prescribers, and community service providers. Still, access to mental health providers is very difficult for parents in need of support.

JOINING OUR COMMUNITY OF PROVIDERS IS FREE OF COST. AS A MEMBER YOU WILL HAVE:

- A free listing of your services on our website
- Access to our listserv which is used for sharing information and referrals
- Networking opportunities and quarterly virtual meetings
- Support and partnership from other professionals
